※Please read the below and if confirm, check in the box.

- I understand that ANIC is a private organization doing business activity based in Hokkaido, Japan.
- I understand that my purpose to become a member is in line with ANIC's business purpose, and is strictly not for obviously pursuing personal business profits for the semiconductor and related companies.
- I understand that ANIC has a right to screen and judge your membership registration.
- According to the 2nd and 6th sections of the second article of " the Japanese Act on Prevention of Unjust Acts by Organized Crime Group Members ( so-called "Act No. 77 of 1991")", I solemnly pledge that I have no relationships with the criminal groups which are socially condemned, and I am not a member of the groups.
- I understand that my personal information above will be only used by ANIC for screening membership registration and sharing notice and information, based on Japanese personal information protection laws.
- I allow ANIC to post the name of my company on ANIC's website and corporate brochure as one of the member companies.
